PRODUCT OVERVIEW

25 cm / 10" High Performance Subwoofer

The GZNW 25C is a no-compromise 25 cm / 10" high-performance subwoofer designed for extreme bass applications. Its rigid carbon fiber cone, combined with the ConeGrip surround, ensures precise and controlled reproduction even at very high excursion levels.

The massive 75 mm / 3" voice coil and powerful motor assembly make this woofer an ideal choice for systems targeting maximum output and deep, authoritative bass. Thanks to Klippel-optimized development and a flow-optimized cast aluminum basket, performance remains impressively consistent even under the most demanding operating conditions.

KEY FEATURES

- High performance subwoofer
- Klippel® optimized
- Carbon cone
- Carbon dust cap
- 75 mm / 3" copper voice coil
- ConeGrip surround for tight cone-guidance
- Airflow optimized aluminum cast basket
- Massive push terminals

CONTENTS

- 1 Piece GZNW 25C

FACTS

Model	GZNW 25C
Nominal impedance	2 x 2 Ω
Efficiency (SPL)	83 dB
Voicecoil	75 mm / 3"
Cone	Carbon
Power handling (RMS)	1500 W
Power handling (max.)	3000 W
Outer diameter	274 mm / 10.79"
Mounting cutout	238 mm / 9.37"
Mounting depth	216 mm / 8.5"
